

BREAST CANCER IN YOUNG WOMEN

2-3 September 2010

Berne, Switzerland

Chair: S. Aebi, CH

Co-Chairs: G. Freilich, UK - F.A. Peccatori, IT

In collaboration with

INSELSPITAL

UNIVERSITÄTSSPITAL BERN
HOPITAL UNIVERSITAIRE DE BERNE
BERN UNIVERSITY HOSPITAL

02/09/10

BERNE

FORMAT OF THE EVENT

The two-day programme covers all spectrums of breast cancer in young women, including epidemiology, pathology, molecular biology, surgery, radiotherapy, systemic therapy, as well as special issues like fertility preservation and subsequent pregnancies, psychosocial issues, physical activity and dietetic intervention, patients' perspective and breast cancer during pregnancy. Multidisciplinary discussion of clinical cases will be an integral part of the course.

COURSE VENUE

Inselspital
Langhaus Auditorium
Institute of Pathology H128, University of Berne
Murtenstrasse 31
CH - 3010 Berne, Switzerland

INFORMATION AND ONLINE REGISTRATION AVAILABLE AT www.eso.net

CONFIRMATION OF REGISTRATION

Registration will be confirmed by mail, fax or email.

CANCELLATION OF REGISTRATION

In case of cancellation without replacement, the fee less handling charges of € 60 will be refunded, provided a written request is received by the Organising Secretariat before **20 August 2010**. No refund can be made if notice of cancellation is received after this date. Refunds will be settled after the course only.

Replacements will be accepted only before **20 August 2010**.

CERTIFICATES

All participants will be issued with a certificate of attendance at the end of the course.

OFFICIAL LANGUAGE

The official language of the course will be English. No simultaneous translation will be provided.

BADGE

The badge is the only official evidence of registration and should be worn at all times during the course. Loss of badge means loss of registration.

INSURANCE

The organisers bear no responsibility for untoward events in connection with, before, during and after the course. Participants are strongly advised to take out their own personal and travel insurance coverage.

CASE PRESENTATIONS

Participants are encouraged to submit a case presentation for a multidisciplinary discussion (September 3, 2010, 4:20 to 5pm). The cases should be presented with a short history, clinical findings, imaging (e.g. mammograms, ultrasound, MRI), photographs of pathology specimens, and other pertinent documentation. The cases will be presented by the participants; they should be prepared in Microsoft Power Point (or Acrobat PDF) and submitted until August 15, 2010 to Prof. Stefan Aebi (stefan.aebi@insel.ch) who will select the cases and inform the presenters.

IMPORTANT DEADLINES

02/06/2010: early registration deadline

20/08/2010: cancellation deadline

20/08/2010: replacement deadline

There will be a strict limit of 120 places for this course and in view of our previous experience of heavy demand, early registration is strongly recommended, in order to avoid disappointment.

Please note that on-site registration does not guarantee availability of places and course material.
